

2023 Drummoyne Public School P&C Volunteer Form

Introduction

Each year our parent community plays a vital role in supporting Drummoyne Public School. We are very fortunate to be part of such a wonderful community! The richness of school life that the children enjoy is due to the ongoing support of parents, grandparents and friends of the school.

One important avenue of support is through P&C organised activities, providing funds each year for various projects.

The purpose of this flyer is to ask all families to support the organisation of **one** P&C activity this year. Our hope is that all families will 'play a part' in enriching the lives and learning of our children through volunteering for just one activity.

Would you please indicate below one P&C activity or role that you would be willing to be involved in this year and hand to your child's class teacher at a parent teacher interview or to the school office and record your willingness to support the school and P&C.

This information will be collated and a member of the P&C will be in touch in due course.

We hope that 2023 is a wonderful year for you and your family.

Brian J Dill
